Excerpt from ***THE GREAT GOSPEL OF JOHN*** *– Volume 9*
revealed by the Lord Jesus Christ to **Jakob Lorbe**r through „Inner Word" dictation
aus Chapter 70 – ***The Second Coming of the Lord*****:**

2. Said I[Jesus]: "This as well have I laboriously revealed to you several times already. However, because not even you are entirely permeated with My Spirit, you still do not understand it completely. The **year**, the **day** and the **hour** I cannot tell you with certainty, because everything upon this Earth depends on the free will of men. And so, **not** even the **angels** in Heaven know it, for **only the Father** does, **AND THE ONE TO WHOM HE WISHES TO REVEAL IT.** Besides, it is not essential for the salvation of the soul that it knows all this precisely in advance.

🎵 9 for Completion – *October 25, 2036*

Jesus said it, and Jakob Lober wrote it down.
That was almost 200 years ago.
And yet everyone says in unison, “God doesn’t give a date.”
But that’s wrong!
In the Great Gospel of John, Jesus said about His return: “I cannot give you a specific year, day, or hour, because everything on this earth depends on the completely free will of human beings.
That is why not even an angel in heaven knows this, but only the Father—and the one to whom He chooses to reveal it.”
And because this is so important, I’ll repeat it once more: “That is why not even an angel in heaven knows this, but only the Father—and the one to whom He chooses to reveal it.”
There, you’ve heard it, dear people.
In heaven, only the Father knows—and also the one to whom He chooses to reveal it.
It is one, not two or three. no, only one.
And that one is not in heaven, but on earth.
He is a man and lives among us.
God the Father gave him nine events, specified by year and day.
Two of them with hour and minute.

Why these nine days, of all days, are the correct ones cannot be explained in a single sentence.
There will be a book that can do so for those who wish to know.

You can believe in the truth as long as nothing happens.
The truth is experienced when it begins.
The truth is given so that everyone can prepare.
Whoever closes their eyes to the truth punishes themselves.

You cannot smile away the terrible Day of the Lord.
Even drinking, fornication, and violence cannot stop the truth.v
It will happen exactly as foretold.
These times are only allowed in this way.

Whoever flees from the truth will not find God.
Only Jesus is the way, the truth, and the life.
You must also pray for your enemies.
Without love in your heart, you will perish.
The real battle is against the powers and forces of darkness.

Only the path with God leads to a future.
Only those who remain faithful to God will reach the New Age.
Those who are ready for the New Age will experience and shape it.

The New Age begins on the seventh day of the eighth month, in the ninth year after two thousand thirty.

Seven for perfection.
Eight for a new beginning.
Nine for completion.

It is the first day of the week, on the first day of the New Age.
When Jesus returns on the clouds of heaven, in all His power and glory.

🎵 10 Means Completeness 🎵 - *November 14, 2026*

God revealed one more day to me.
Ten revealed days there are now to see.

Nine stands for completion,
Ten means completeness.
Ten is the thread through all nine days.

The tenth day follows the fifth day.
The numbering of the nine days is dust, for the tenth day changes everything.

The tenth day is what was missing,
Known until now to Conchita alone.
She will remain silent until the time draws near,
Just before then, the truth will appear.

That is why I hesitated,
Why I kept these things inside.
But the number ten kept haunting me,
Calling me to break my silence free.

Of course, no number speaks to me,
But the Father in Heaven does.
He sends me signs and guides my way,
We walk together, day by day.

For I could never walk alone,
His guiding hand will lead me to the thrown.

Ten is the day of Rapture in Tribulation.
Ten is the hour and ten is the minute.

Ten in Revelation and
ten in Daniel.

The last two are a mystery, but one that can be solved.

Conchita González from Garabandal
gave clues to the date, which she is not to reveal.

The day of the Miracle follows the Warning.
It is the feast day of a martyr of the Eucharist.
It falls in March, April or May.
A Thursday, between the eighth and sixteenth day.

The martyr of the Eucharist is Jesus Himself.
His feast we celebrate on Maundy Thursday,
the Last Supper.

The Warning in autumn two thousand thirty-five follows the Miracle in spring thirty-six.

The calendar tells us so,
In April the Miracle will show.
And what a wonder, what a day,
On April tenth, it comes our way!

Ten is the day of Rapture in Tribulation.
Ten is the hour and
ten is the minute.

Ten in Revelation and
ten in Daniel.
Ten is the day of the Miracle and of the Eucharist, too.

Whoever abolishes the Eucharist
Or puts another in its place,
Does not act according to God's will
And will go to hell.

The Great Miracle will take place in Garabandal.
To the glory of the Virgin Mary, the Mother of God.

The year is two thousand thirty-six,
On Maundy Thursday,
April the tenth – remember the day,
When the Great Miracle will come our way.
